Dependent Insurance

Newborn Children

Coverage for newborn children of an insured employee or the employee’s covered family member begins from the moment of birth.

Coverage for a newborn child of a covered family member terminates when the child is 18 months old.

If notice of birth is given to the company within 30 days there is no premium charge for the initial 30 day period. If timely notice is not given, the insurer may charge additional premium from the time of birth.

If notice is given within 60 days of the birth of the child, the insurer may not deny coverage for a child due to the failure of the insured to timely notify the insurer of the birth of the child.
This policy covers newborn children for the necessary dental care or dental treatment of congenital defects or birth abnormalities of the teeth or gums.

**Dental Benefits Extension**

An expense incurred in connection with a Dental Service that is completed after a person's benefits cease, for any reason other than the person’s failure to pay premiums, will be deemed to be incurred while he is insured if:

- the course of treatment was recommended in writing by the physician and began while the person was insured for dental benefits;
- the Dental Service is other than a routine examination, prophylaxis, x-ray, sealants or orthodontic services;
- for Orthodontic Services, the treatment commenced while the person was insured and the expenses are incurred within 60 days after his insurance ceases;

**Important Notices**

**Qualified Medical Child Support Order (QMCSO)**

**Eligibility for Coverage Under a QMCSO**

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You, your child’s noninsuring parent, a state child support enforcement agency or the Maryland Department of Health and Mental Hygiene must notify your Employer and elect coverage for that child. If you yourself are not already enrolled, you must elect coverage for both yourself and your child. We will enroll both you and your child within 20 business days of our receipt of the QMCSO from your Employer.

Eligibility for coverage will not be denied on the grounds that the child: was born out of wedlock; is not claimed as a dependent on the Employee’s federal income tax return; or does not reside with the Employee or within the plan’s service area; or is receiving benefits or is eligible to receive benefits under the Maryland Medical Assistance Program.
Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child’s right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child’s name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child’s mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Claims

Claims will be accepted from the noninsuring parent, from the child’s health care provider or from the state child support enforcement agency. Payment will be directed to whomever submits the claim.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child’s custodial parent or legal guardian, shall be made to the child, the child’s custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Termination of Coverage Under a QMCSO

Coverage required by a QMCSO will continue until we receive written evidence that: the order is no longer in effect; the child is or will be enrolled under a comparable health plan which takes effect not later than the effective date of disenrollment; dependent coverage has been eliminated for all Employees; or you are no longer employed by the Employer, except that if you elect to exercise the provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), coverage will be provided for the child consistent with the Employer’s plan for postemployment health insurance coverage for Dependents.
Eligibility - Effective Date

**Dependent Insurance**

**Exception for Newborns**

Any Dependent child including the newborn infant of a Dependent, an adopted child or foster child born while you are insured will become insured on the date of his birth if you elect Dependent Insurance no later than 31 days after his birth. If you do not elect to insure your newborn child within such 31 days, coverage for that child will end on the 31st day. No benefits for expenses incurred beyond the 31st day will be payable.

Vermont Mandatory Civil Unions Endorsement for Health Insurance

Purpose:

Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons. This endorsement is part of and amends this policy, contract or certificate to comply with Vermont law.

Definitions, Terms, Conditions and Provisions

The definitions, terms, conditions and any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as “marriage,” “spouse,” “husband,” “wife,” “dependent,” “next of kin,” “relative,” “beneficiary,” “survivor,” “immediate family” and any other such terms include the relationship created by a civil union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as “date of marriage,” “divorce decree,” “termination of marriage” and any other such terms include the inception or dissolution of a civil union established according to Vermont law.

Terms that mean or refer to family relationships arising from a marriage, such as “family,” “immediate family,” “dependent,” “children,” “next of kin,” “relative,” “beneficiary,” “survivor” and any other such terms include family relationships created by a civil union established according to Vermont law.

“Dependent” means a spouse, party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent upon the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

“Child” or “covered child” means a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent upon the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

Caution: Federal Rights May or May Not Be Available

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA," controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health
insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.
