UMS Reporting Terminology

Data Cookbook Implementation

All definitions on this page have been migrated from here to our Data Dictionary powered by Data Cookbook.

You can select terms on this page to take you directly to their definition in the Data Dictionary, or go directly to the Data Dictionary to search a much wider selection.

The terms found here are largely used UMS wide. For information specific to standardized reporting (ie. IPEDS, CEDS, CDS) please click on External Education & Reporting Resources to go directly to the source websites.

Click a letter to go to the alphabetical listing for a term you'd like to find, or use Ctrl+F on your keyboard to search this page for the term you'd like to find.
