

Department Contact Block

The Department Contact Block populates the 'Contact' block that displays above the subsite navigation area, when published. Sites may display a single main email and phone number and up to 5 additional email and phone entries.

NOTE: Only 1 Department Contact Block exists for a given subsite, and it can only be edited from the [Content List](#) (select 'Department Contact Block' from the 'Type' filter).

Fields

- **Title:** (Required) Not used in the page display
- **Main Email:** Plain text, max 100 characters
