

Responsive Redesign Changes

The links below provide details on the new content types as well as changes to existing content types and other elements for the responsive design.

- [New Content Types](#)
- [Existing Content Types With Changes](#)
- [Deprecated Content](#)
- [Additional Changes](#)
- [Image Requirements Summary](#)

New Content Types

- [Department Carousel Slide](#)
- [Department Contact Block](#)
- [Department Information Block](#)

Existing Content Types With Changes

- [Events](#)
- [Faculty](#)
- [News Items](#)
- [Office Hours](#)
- [Overview](#)
- [Pages](#)
- [Social Dashboard Links](#)
- [Staff](#)

Deprecated Content

The following content types will not be used in the new Responsive theme. The content itself will not be deleted, but none of it will display in the new theme. In most cases

- [Promo Items](#)
 - Promo Items can be recreated as [Department Information Blocks](#)
- [Location & Hours](#)
 - Any necessary content here should be added to the [Office Hours](#) and/or [Department Contact Block](#)
- [Slideshow Slide](#)
 - Replaced by [Department Carousel Slides](#)
- [Quick Links and Resources](#)
 - Replaced by new [Subsite Navigation](#)

Additional Changes

- [Layout Changes](#)
- [Sidebar Menu](#)
- [Subsite Navigation](#)
- [Embedded Images](#)
