COVID-19 Full Pay for Regular Employees

Please continue to work remotely if possible or as part of our limited on-campus presence as already planned with your supervisor. However, if you are unable to work due to the temporary suspension or reduction of your department operations; if you need to be away from work to tend to children who are home from school or daycare; if you are following self-quarantine guidelines, are ill or tending to a family member who is ill; or if you simply need time away from work to tend to matters that you are confronting due to the crisis, you will continue to be paid through April 4, and there is no need to utilize sick leave or vacation time for these reasons.

Additional resources for teaching and working remotely can be found on the University of Maine System’s Public Health Advisory page for employees.
