

# New Brightspace Course Shells

Find new course shells in Brightspace and distinguish between migrated courses from Blackboard and new course shells for future terms in Brightspace.

Here's how:

Follow these steps and terminology.

## Terminology

1. **New Course Shells**
  - a. These shells are newly created for courses to be delivered in future terms. These shells only have default content until the Faculty starts building or populating them with new content.
2. **Migrated and Converted Course Shells**
  - a. These are courses previously delivered on Blackboard that have been migrated to Brightspace and converted (translated) to be experienced in Brightspace.

## Course ID Prefix for Both Terms

1. Summer 2020: Prefix= **2030.UMS01**
2. Fall 2020: Prefix= **2110.UMS01**

## Search for Courses

1. From the bottom of **My Courses**, click **View All Courses**
2. Search for the **full Course ID** or **Title** to find a specific course

**i** Another method is to locate the global navigation bar at the top of the page. Click the Course List icon. It is the icon that looks like a grid, or is sometimes called a "waffle".

This will display a list of all the past and present courses for which you have access. Click on the name of a course to access it.

The screenshot shows a course list interface. At the top, there is a search bar containing '2030.UMS01'. Below the search bar is a table of courses. The first row is 'Accounting for Man. Descisions - 2030.UMS01-C.0013.7W2'. The second row is 'Adoles, Sub Abuse &amp; Crim - 2030.UMS01-C.0001.1'. The third row is 'Algebra II - 2030.UMS01-C.0015.7W2'. The fourth row is 'AME 305-Race, Class, Gender, Sex - 2030.UMS01-S.21022.7W1'. The fifth row is partially visible as '... 4.1'. Annotations in green boxes explain parts of the course ID: '20 = Year 2020' points to the '20' in '2030'; '30 = Summer' points to the '30' in '2030'; 'UMS01 = UMA' points to 'UMS01'; 'Course Title' points to 'Algebra II'; and 'Course ID' points to '2030.UMS01-C.0015.7W2'. A red notification bubble with the number '1' is above the search bar. A red arrow icon is in the top right corner of the interface.
