5. Verify your photo meets the following requirements, and choose upload.
   - Should be cropped slightly above head to middle of chest.
   - Should be taken against a plain, light background.
   - Must be a color photo.
   - Must not include sunglasses, hats, or anything else obstructing a clear view of the face.
   - Must be positioned directly facing the camera.
   - Eyes should be open and looking at the camera.
   - Photo has to be clear. Blurry photos will not be accepted.
   - No larger than 2MB in size.
   - Must be in .jpg or .png format
     - Note for iPhone users: You must disable High Efficiency photo mode before taking your selfie. To disable this feature, follow the instructions at the bottom of the page.

6. Once you are happy with the photo uploaded, click the "Next" button.

7. Now upload your supporting document.

8. Once your supporting document is uploaded, you will be shown both your uploaded photo and supporting document.

9. If you are happy with both, click the "Submit & Sign out" button, and your photo will be sent out for approval.

10. If your photo is rejected, you will receive an email explaining why, and another link to upload your photo and supporting document again.

**iPhone: How to disable High Efficiency mode.**

- Go into settings on your iPhone
- Scroll down to “camera”
- Select “format”
- Under format select “Most Compatible”.

*This will now give you a JPG format rather than a High Efficiency (HEIC) format.*
