How to Set up W-4 Tax Withholding Status for Nonresident Alien

**Description:** When employees are first hired, the default tax withholding status is Single with no adjustments for both Federal and Maine tax withholding. Nonresident alien employees should follow these steps to update tax withholding status per IRS guidelines. For more information related to the special Form W-4 instructions for nonresident alien employees, including exceptions, refer to Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens. Visit 1040.35 UMS Tax Treaties for additional related information.

UMS is required to add an amount to the nonresident alien’s wages solely for calculating the income tax withholding for each payroll period. The amount to be added to the nonresident alien’s wages to calculate income tax withholding is as follows:
